Cybersecurity Network **1st CSN meeting**

30-31 March 2023 - Deutscher Sparkassen- und Giroverband (DSGV), Berlin

Draft agenda

THURSDAY, 30 MARCH - INTRODUCTION AND NETWORKING ACTIVITIES

14:00 - 15:00 - Welcome and introduction round

At DSGV's premises

After an introduction remark, members are invited to introduce themselves and the organisation they are representing, as well as their role and expertise. Members are also invited to share their knowledge background in order to facilitate a fruitful discussion.

15:00 - 16:00 - Discussion on expectations and Terms of Reference for the CSN

Including approval of the terms of reference

To discuss with members the new CSN initiative, the format of the meetings, and possible future activities in the cybersecurity realm. Members are invited to provide the JO with suggestions, either during the discussion or prior to the meeting via email.

16:15 - 16:30 - Walk from DSGV to Humboldt Forum / Berlin Castle

16:30 - 18:00 - Guided tour - Humboldt Forum / Berlin Castle

In the middle of Berlin's historic center, the Humboldt Forum opened in 2021 as a unique place for culture and science, of exchange, diversity and polyphony. By bringing together outstanding collections and with a diverse program, the visit inspires new insights into the world of yesterday, today and tomorrow. The Humboldt Forum in the Berlin Castle is a universal museum and a new hotspot of Berlin. Our guided tour of the Forum offers you a first orientation of this special place.

18:00 - 18:15 - Walk from Humboldt Forum / Berlin Castle to International Club at Ministry of Foreign Affairs

18:30 - 22:00 - Network dinner - International Club at Ministry of Foreign Affairs

The club rooms are on the seventh floor of the old building of the Foreign Office, the former Reichsbank building. Accompanied by the view of downtown Berlin from the rooftop terrace, members will have the opportunity to exchange views, compare experiences, and build an international network with likeminded cybersecurity experts .
